## Opti-Tech Scientific to Represent Buehler in Canada Customer Support, Sales and Service

Canada NewsWire

LAKE BLUFF, Ill. and TORONTO, Aug. 2, 2019

LAKE BLUFF, Ill. and TORONTO, Aug. 2, 2019 /CNW/ -- Buehler, an ITW Company announces with Opti-Tech Scientific, a leading Canadian supplier of scientific equipment, specializing in digital microscopy, Metallography and Hardness Testing. The partnership provides Buehler's (<https://c212.net/c/link/?t=0&l=en&o=2541874-1&h=573785105&u=http%3A%2F%2Fwww.buehler.ca%2F&a=Buehler%27s+Canadian>) customer support for all their metallographic product and service needs.

Opti-Tech will offer Buehler's line of full metallography solutions for sample preparation, metallography, characterization and hardness testing. Customers will benefit from a team of proven experts in the industry, local sales support, quick service response and stocked consumables warehouse located in the Toronto area for fast fulfillment. Buehler customers can be assured that they will have first-class support and service. Opti-Tech will have a distribution center in Toronto to ship throughout all the Canadian provinces, as well as a sales office in Vancouver.

According to Benjamin Mangrich, Americas Commercial Director for Buehler, "We are excited with Opti-Tech, an outstanding distributor with in-depth technical knowledge, experienced staff and impeccable standards. The Opti-Tech team is familiar with Buehler products and the unique requirements of Buehler customers. This partnership is a win-win-win for Buehler, our customers and Opti-Tech."

Martin Howells, Opti-Tech's President notes, "We are honoured to take on the Buehler line of metallographic and Wilson hardness testing products. As a solution-based company, we provide our customers uncompromising support, a dedicated sales team, knowledgeable application specialists, expert installation, training and service. Our team includes seasoned professionals in metallography and we look forward to continuing this legacy throughout Canada."
