Grupo Mess Named Exclusive Buehler Distributor for Metallographic and Hardness Equipment in Mexico

PRESS RELEASE PR Newswire (/author/pr-newswire)

Jan. 17, 2020, 07:00 AM

LAKE BLUFF, Ill. and QUERETARO CITY, Mexico, Jan. 17, 2020

/PRNewswire/ -- Buehler, an ITW Company announces a partnership with Grupo Mess, a leading Mexico supplier of scientific equipment and services specializing in metrology. The partnership provides local support to Buehler customers and other manufacturers for all their metallographic product and service needs. Grupo Mess offers Buehler's complete line of metallography solutions for sample preparation, materials characterization and hardness testing used in product inspection or quality control laboratories. Automotive, aerospace, electronics, metals and medical device production facilities will benefit from a team of proven experts offering local sales support, quick service response and a stocked Mexico-based consumables warehouse for fast fulfillment. Grupo Mess has its own personnel and offices in Queretaro city (Queretaro state), Monterrey city (Nuevo Leon state), and San Luis Potosi city (San Luis Potosi state).

According to Marcelo Zanusso, Latin America Regional Manager for Buehler, "We are excited to partner with Grupo Mess, an outstanding distributor with in-depth technical knowledge, experienced service team and impeccable standards. Mess's management is familiar with Buehler's metallographic products and the unique requirements of industrial customers. With three locations and a complete service department, Mess will provide all of Mexico with saws, grinder / polishers, mounting presses, microscopes, hardness testers, hardness blocks and consumables. I look forward to working with Mess and providing outstanding care to Mexico's fabricators, research centers and universities."

Oscar Morales, Grupo Mess General Manager notes, "We are honored to take on the Buehler line of metallographic and Wilson hardness testing products. As a solution-based company, we promise Buehler customers uncompromising support, a dedicated sales team, knowledgeable application specialists and expert installation, training and service. Our team includes seasoned professionals in metallography and we look forward to continuing this legacy throughout Mexico. We are focused on offering

top solutions to our customers and for this we have aligned with Buehler for the most innovative metallographic equipment and consumables that helps customers exceed their expectations."

Mess Servicios Metrologicos S. de R.L. de C.V. offers integral metrological solutions in the following areas: dimensional, force/strength, torque, temperature, electrical, pressure, mobile area, surface finishing, patrons, CMM's, metallography, microscopy, inspection and measurement, fixtures/gages design and manufacturing, hand tools calibration, vision/optics, energy quality, high accuracy, calibration and hardness. Grupo Mess will additionally have onsite a Buehler metallography and hardness testing laboratory for customer solutions. Grupo Mess supports manufacturers and metal shops with process solutions, equipment solutions and related services. Grupo Mess will be exhibiting at ExpoManufactura 2020, stand 1112 February 11-13, 2020 in Monterrey, Mexico.

Grupo Mess complies with the requirements of ISO / IEC 17025: 2005 / NMX-EC-17025-IMNC-2006, where all laboratory personnel are familiar with the Quality Management System for its correct application and continuous improvement. Grupo Mess is recognized by three accreditation bodies: Entidad Mexicana de Acreditacion, a.c. (EMA), Perry Johnson Laboratory

Accreditation Inc. (PJLA) and the American Association for Laboratory Accreditation (A2LA). For information, visit www.mess.com.mx/, email info@mess.com.mx or by telephone in Mexico 800-347-0773.

Buehler, An ITW Company, is a global industrial manufacturer of value-added consumables, materials sample preparation equipment, and the Wilson line of hardness testers along with related service businesses.
